

## **Helmsley Walled Garden - 2019**

Changing Lives Through Gardening

### **Welcome to Helmsley Walled Garden**

Built in 1759, Helmsley Walled Garden's five acres sit beneath the imposing ruins of Helmsley Castle. The Garden provided the vegetables, fruit and flowers for the table of Duncombe Park until just after World War 1 when it was leased out as a market garden. Abandoned after it closed its doors for the final time in 1984, it fell into dereliction. Restoration started in 1994 and since then the Garden has gone from strength-to-strength through the dedicated care of staff and volunteers.

Now, restored glasshouses are full of colour and the Hot Border, a 120 metre double herbaceous border running the length of the Garden is planted in vibrant reds, yellows and oranges. Sit and enjoy the tranquillity of spaces such as the Garden of Contemplation or the White Garden. Or admire the wild flower meadows, walk in the Orchard, and see the range of apple varieties in the Yorkshire collection.

### **Plant Centre and Gift Shop**

A wide range of perennials, shrubs and climbers are sold in the Plant Centre. Staff and supported volunteers grow stock for sale as part of our horticultural therapy programme. Garden staff in the Plant Centre will help visitors with any questions they may have about plants for their garden.

The Garden Shop can supply you with everything for the garden, from fertilisers and compost to labels and string. You'll also find a range of modern and heritage tools. If you are looking for gifts, you can browse through our range of greetings cards, notelets, biscuits and sweets along with locally produced jams, chutneys and honey.

### **The Vine House Café**

Visitors to the licenced The Vine House Café sit beneath a collection of heritage vine cultivars in a beautifully restored Victorian vinery to enjoy lunches and light snacks as well as delicious cakes and desserts. Produce from the Kitchen Garden goes to the café.

### **Horticultural Therapy**

This is a beautiful garden to visit, but it is also a social enterprise funding social care through tourism. The surplus income from the Garden funds our horticultural therapy service where supported volunteers learn horticultural skills and are encouraged to develop their potential, gaining skills and confidence in taking steps towards greater independence.

### **Courses and events**

**Workshops** – enjoy learning to summer prune your fruit trees, or make a hanging basket. Learn the art of botanical illustration or create a beautiful table decoration for Christmas. There is plenty to choose from so go to <https://www.helmsleywalledgarden.org.uk> find out more.

**Events** – from our wildlife weekend in April to our Apple Day in October there's lots to look forward to. Check our full list of events at <https://www.helmsleywalledgarden.org.uk>.

## **Become a Friend of the Garden**

Become a Friend of Helmsley Walled Garden and join a group who really care about preserving this historic working garden. Friends help us in:

- Developing the Garden and continuing the restoration process
- Supporting disabled and vulnerable people learning new skills in gardening
- Maintaining our historic glasshouses
- Promoting horticulture through giving talks, writing articles etc.

As a Friend you receive:

- Free entry to the garden throughout the season
- Regular news updates through our e-newsletter
- 10% off purchases in the Plant Centre and Gift Shop
- Invites to special Friends' events

For more information and a membership form go to <https://www.helmsleywalledgarden.org.uk>
